

HYDRADERMIE Double Ionization

HYDRADERMIE Doppia Ionizzazione

An exclusive Guinot treatment which acts on FACE - EYES - NECK

Crown Jewel of all facial treatments, Hydradermie is the result of the research and of the technological avant-garde.

The skin is more beautiful already at the end of the treatment:

- ✓ Reduces wrinkles
- ✓ Revitalizes skin tissue and promotes cellular turn-over
- ✓ Lightens spots and recreates a homogeneous color

Available in eight versions, based on the goal of beauty, Hydradermie results are scientifically tested:

- ✓ Maximum hydration
- ✓ Deep cleaning
- ✓ Cellular dynamization
- ✓ Tissue oxygenation

Duration: 50 min

HYDRADERMIE LIFT

HYDRADERMIE LIFT

LIFTING methodology, which, through stimulation, performs a facial gymnastics to tone the facial muscles and remodel face features.

Drainage: it removes toxins and reactivates lymph circulation

Muscular stimulation: it tones face and neck muscles

Massage: it distends and deeply regenerates the skin

Duration: 50 min
